

Third Meeting in Nicosia, Greece on the 26th & 27th of June 2016

On the 26th and 27th of June the third International meeting of the project was held in Nicosia, Greece.

The meeting consisted mainly on the presentation of the chapters 4-6, which we are gradually completing to create our future virtual course. Each of the participating countries presented their ideas and together decided which is the best structure for the development of the project.

Along with the presentation of the chapters it was confirmed the aspects concerning what will be our future website, its design, organization, languages etc. as well as all technical aspects that are necessary for correct development. The host organization, in this case the Cypriot partners, prepared a wonderful meeting where we enjoyed a fruitful relationship and covered and closed most of the issues concerning the coming months of the Project. Besides this we had the opportunity to enjoy the gastronomy and the magnificent Cypriot culture.

The partners agreed that it had been a great living experience and look forward to the next meeting, which will be held in Budapest the following 24th and 25th of October.
